This year the Mecha club sponsor is Tony Gonzolo. Last year there wasn't a sponsor therefor, no Mecha club. This year Peoria is proud to present an '81/'82 Mecha club! The purpose of the club this year is to simply get the club reorganized. Mecha is actually designed to get Mexican-Americans together to do educational things which benefit the community.

1981-82 has been a busy year for the students in the T.M.H. Special Programs class. The class consists of seven students ranging from 14-21 years old. The class is taught by Mrs. Marini along with team teachers, Mrs. Kennedy, Mr. Feist, Mr. Wright and Miss Bauer. In the Vocational class, the students did such projects as building PVC Pipe Chairs, selling Hot chocolate and Doughnuts, stuffing envelopes for the American Heart Association, campus maintenance and laundry for the Athletic department. The students participated in the Special Olympics Bowling Tournament. They also participated in the Winter Games in Flagstaff and the Spring Games in Tempe. Mike Kallweit won a special honor by being on the cover of the Special Olympics program for placing first in a poster contest in Arizona.

Is it time to leave YET?

LET'S HEAR IT FOR F.F.A.!

Mr. Zamudio, Debbie, and Chris take a break while attending a judging day in Tucson.

FFA has always been fortunate for the special help that they have received. This year the chapter thanks Mr. Wiedoff, Mr. and Mrs. Wright, and Mrs. Osborne, plus other parents for the extra support they have shown us. The Local Farmers have been a great deal of help also. Many donations were made such as whole cows for the barbecues, and supplies and equipment usage for the cotton field. Without the help of these supporters, the FFA-VoAg would not do so well.

Mr. Vicars plays the part of, "TEX", before the pony race during National FFA week.

JOE FARMER

To a short but sweet gang!
Good luck always
& in everything
you do!

Future Farmers of America is one of the most outgoing, active clubs on campus. Each year the chapter grows larger as more and more students get involved.

The chapter has many fund raising activities like: barbecues, donkey basketball, and the cotton field.

The cotton field is another way they supported the chapter. The students produced 15 acres of cotton. All summer our future farmers carried on to keep the field growing. This year the cotton brought in $2,400.00 as a profit. This money went toward the Kansas City Trip, the Nix's party, T-shirts, and the banquet.

FFA has been successful because of the team-work effort. Taking first in Creed Speaking was Anna Hostetler; first in Information was Amy Connolly. The Parlimentary Procedure winning team was: Cindy Osborne, John Swenson, James Stephens, Patty Derouchy, Shelley Wiedoff, Johnny Sue Mahan, Debbie McGriff, Cathy Lion, and Chris Thompkins. The chapter took home the Sweepstakes Trophy from G.C.C. which included three winning teams.

No one will forget National FFA week, a tradition held each year.

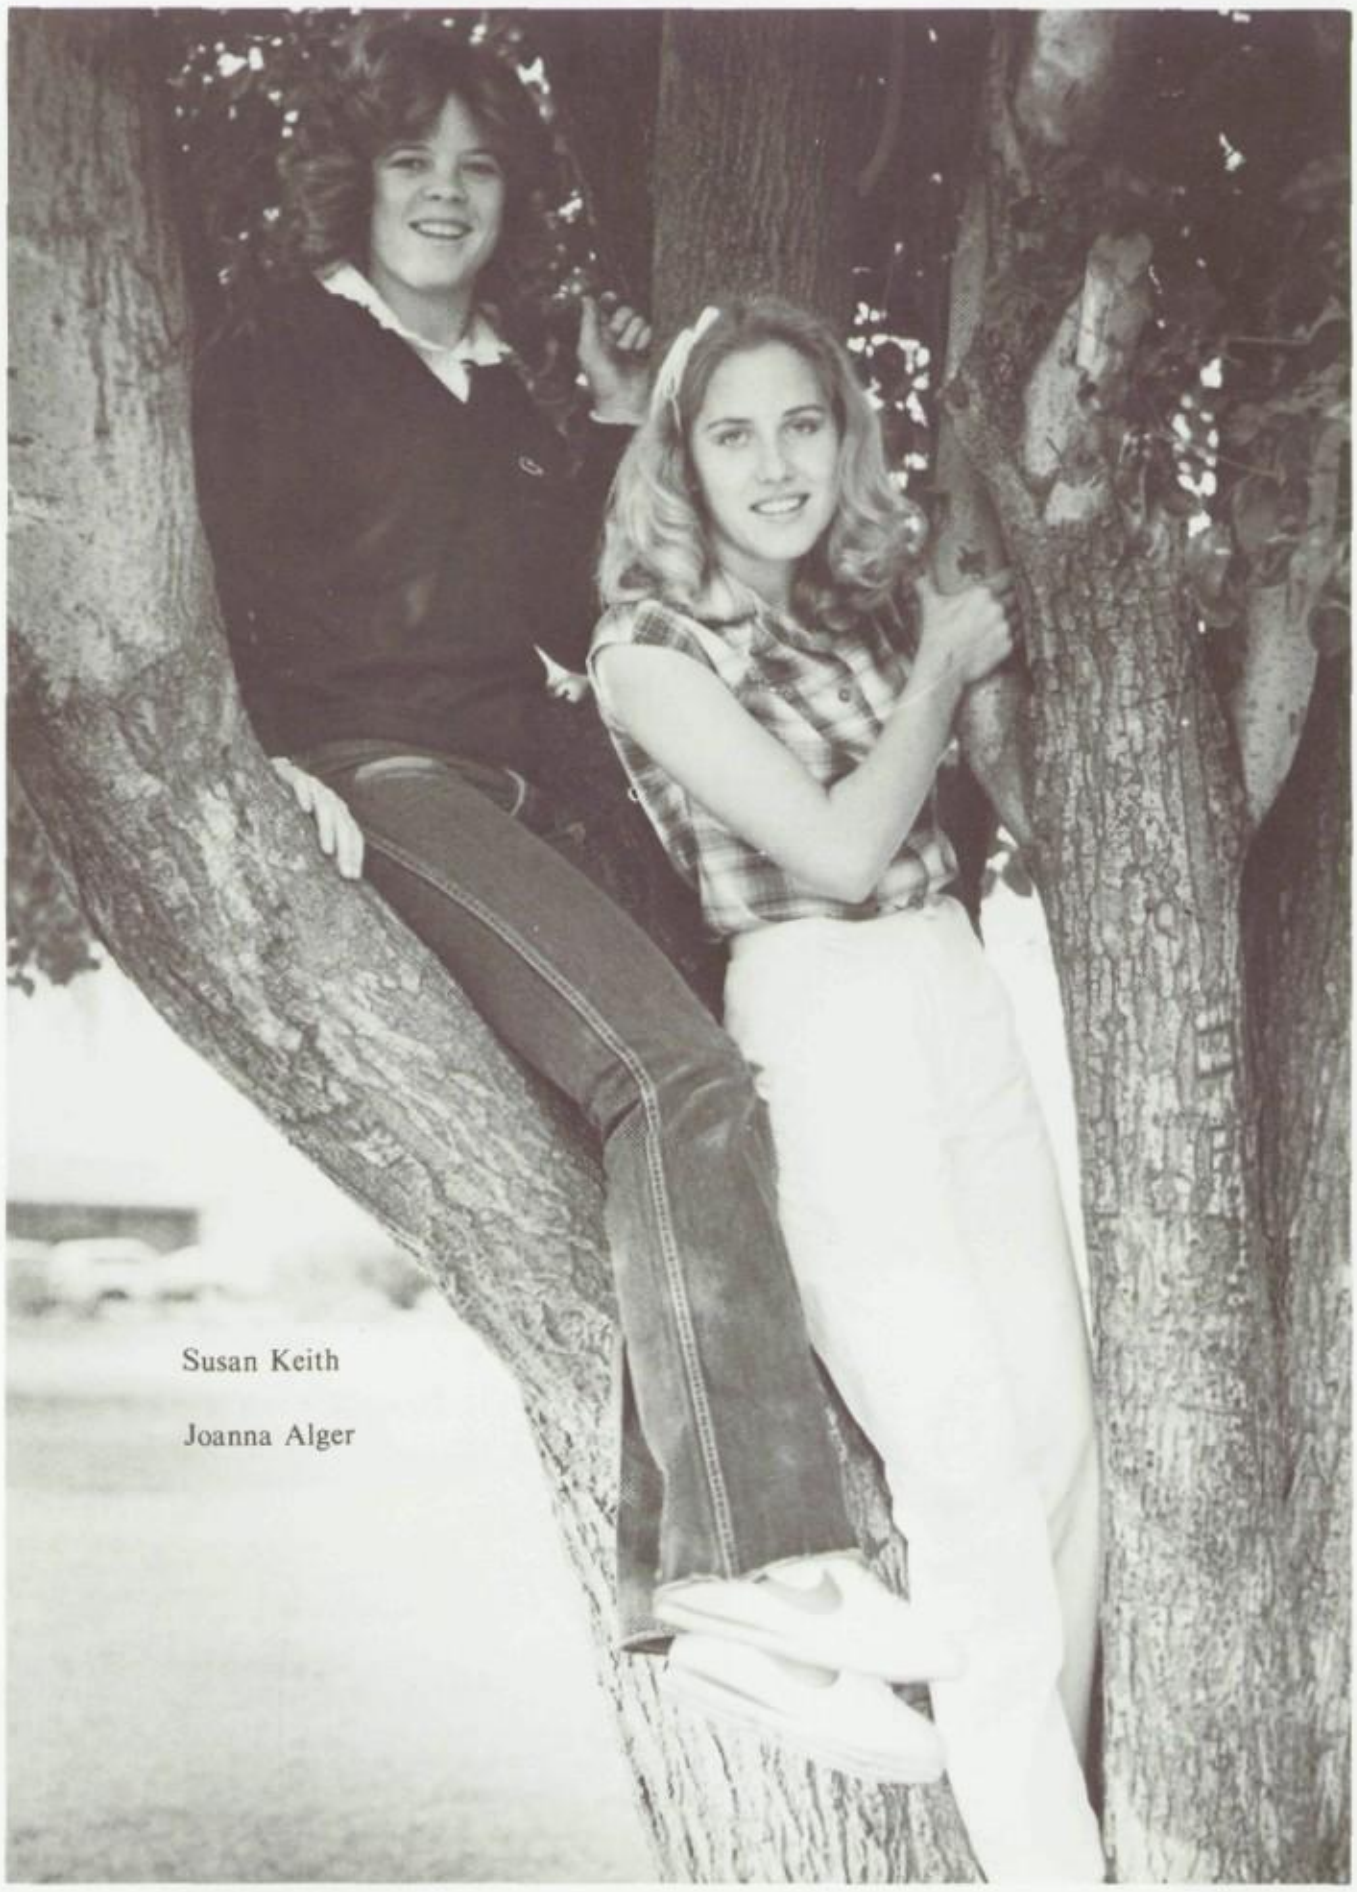
GIRLS STATE



Susan Keith

Joanna Alger

The Boys State and Girls State programs were initiated to further the experiences and knowledge of those outstanding students who demonstrate and exhibit leadership Qualities.

Students involved in Boys State and Girls State learn foundations of city, county, and state governements through practical self-operation. Students are selected on the basis of their interest in governmental operations, their values regarding high standards of life, possession of good morals, and a respect for law and order.

BOYS STATE

Both activities are workshop oriented. Students are permitted to engage in constructive and worthwhile social activities during both workshops scheduled arrangements. However, most of the students' time is spent in participating in governmental operations. It is suggested that these students should and probably will contribute greatly to future society and its goals and accomplishments as we know it!

P.H.S. HISTORY

P.H.S. was built in 1921 but due to the loss of records the oldest record is in 1926, all the information in this section is from the school evaluation in 1926.

The superintendent and principal was Daniel Jantzen. School was held in the old main. The enrollment for 1926-27 was 78, 43 boys and 35 girls, at this time the total population of Peoria was only 3,000.

The 1926 graduating class was 23, 17 Boys and 6 Girls. During that year there were only 16 credits required for graduation.

The only subjects offered besides academics were;

Agriculture
Trades
Typing
Home Ec.
Music

During that year there were 9 teachers, with six new ones. This averaged out to 8 students to each teacher.

The average salary for the teacher was;

2,100 yr. MEN
1,650 yr. WOMEN

The teachers that year were;

Gladys Aly	she taught English, French	1,700 yr.
Alma Beye	Economy, history	1,800 yr.
Cathryn Hill	Math, botany	1,600 yr.
Dorthia Doig	Piano, voice	1,700 yr.
Ethyl Chubb	Home Ec., science	1,600 yr.
Ivan Lewis	Spanish, p.e.	1,500 yr.
Darrell Parker	History, p.e.	1,800 yr.
Glenn Stanley	Science, ag.	2,100 yr.
Mark Bliss	Ag.	2,400 yr.
Mr. Jantzen		4,200 yr.

Capture The Spirit

That frame of mind,
The attitude of heart,
The courage
That makes us "Panthers." —
It's a vital force;
It comes from deep within
It drives us
And motivates us to always
Do our very best.
It's a spirit that once captured
Can never be lost . . .
Because It's the spirit —
Of a "Panther."

Mitch,
Hi, I'm glad we have a good band this year. I hope you have a successful football season. Have you been practicing your guitar? I hope you're not getting tired of hearing me play the flute. Have you been studying hard? Are you going to be able to go to any dances? Are you going out with anyone special? Have you been doing anything interesting? Well, I guess that's all for now. Write soon.
